Good Afternoon,

We are at a work stoppage for material but our supply support cannot drop everything to swing by right as material is pulled. Material can also be MMd'd to 98L

We appreciate the assistance, thank you for your help

V/r,

*Jennifer (Jenni) Mathis*

Brittney,

This material still hasn't been picked up. You stated this was a work stoppage, and as such we put it ahead of all orders.

ALCON,

The below SWMS order has already been processed in ERP, a new SWMS order will need to be submitted for the extra 40

The requested order however is ready for pick up at this time

**Subject:** FVC Work Stoppage

Good Morning,

Material is needed for work stoppage, I also would like to increase the quantity requested to 80 EA if the unit load will not be up and running any time soon.

SWMS 233859-3

NIN: 010311285

P/N: 2505762

NOMEN: wiper assy.

Could you possibly assist in the request to have this item manually pulled from the warehouse.

V/r,

*Jennifer (Jenni) Mathis*
